Subject: Our support for you

Yoko,
I have just recently heard about Tihiro's death. I know that you have always been very supportive and very tolerant of Tihiro and you have cared for him thoughtfully for many years.

Kathy and I offer our sympathies to you, Risa and Taro. If you plan on having a memorial service, we would like to attend.

Tihiro placed a lot of faith in me when he hired me to come to GA in 1981. I hope that I served him well and made him proud. It was a pleasure for me to work with him and help him accomplish a small part of his many contributions to fusion research.

If we can be of any service to you, please let us know.
Respectfully,
David and Kathy Overskei
