Yoko,

I am very sad to hear this news. I feel fortunate to have known Tihiro in better times and was so happy that we were able to have dinner together recently. Please convey my sympathy to all your family.

I will definitely come to see you from time to time.

Please stay in touch.

Steve

Subject: Tihiro

Dear Steve,

Tihiro has passed away. You are the first person I am notifying among his associates. We are planning a private family service, with a burial at sea of his remains. I will be sending announcements to everyone else, but I wanted tell you personally. I thank you for your support of Tihiro and your kindness while he was alive.

I am hoping to see you again sometime in the future.

Sincerely yours,

Yoko
